OHL Priority Selection Process

In 2001, the Ontario Hockey League conducted the annual Priority Selection process by way of the Internet for the first time in league history.

The new process allowed for eligible players and their families, as well as fans across the league to follow the process in real time online.

The 2018 OHL Priority Selection will once again be conducted online on Saturday April 7, 2018 beginning at 9:00 a.m. You can follow the entire process online at www.ontariohockeyleague.com.

Player Eligibility

North American players born in 2002 and non-overage players that were not carded with an Ontario based midget AAA team from protected OHL territories are eligible for selection in the 15 rounds of the 2018 OHL Priority Selection.

Selected Players in the OHL

OHL Member Teams are permitted to register a maximum of four 16 year old players selected in the OHL Priority Selection. Those 16 year old players that are allowed to be signed are the first two 16 year old players selected and a maximum of two additional 16 year old wild carded players in any round of the OHL Priority Selection.

All other 16-year-old players selected are eligible to be called up as an "affiliated player" or "floating affiliate player" for a maximum of 10 games or for any OHL regular season or playoff games when such player's team has been eliminated from competition for that season.

Order of Selection

The order of selection is determined by inverse order of finish during the past OHL regular season schedule

of games with non-playoff teams selecting ahead of playoff teams. Teams are permitted to trade draft choices, other than their first round selection, during the trading period from Monday April 2 to Friday April 6, 2018 at 3:00 p.m.

OHL Central Scouting

The Central Scouting Bureau of the Ontario Hockey League is an information service and support organization designed to provide the Member Teams with a reference in regards to the players available for selection in the annual "Priority Selection Process."

The primary objective of OHL Central Scouting is to identify, rate and rank players to be eligible for the Priority Selection, according to their OHL potential. OHL Member Teams combine player data received from the Central Scouting Bureau

with evaluations from their team scouting staffs to make their player selections.

The OHL Central Scouting Bureau has been evaluating players since the 1975-76 season.

SCOUTING REPORT: Spencer is a player that plays bigger than he actually is. He doesn't back down from anyone and gives everything he has each and every shift. He is an explosive skater that is quick off the mark and has a top end speed that most don't. He is a goal scorer with a great shot that he gets off quickly and accurately. Spencer scored numerous big goals for his team this season and was missed when he was out of the lineup due to injury. He is extremely hard to handle below the hash marks.

He is a player that has the ability to take over a game and he did this on numerous occasions this season. He is an electric skater with breakaway speed. His skill set and his ability to read the play allow him to create scoring chances almost at will. He is a natural playmaker that makes everyone around him better. He sees the play developing well before others and he is very creative with the puck on his stick.

He is hard to beat as he plays a tight gap all over the ice and is always on the right side of the puck. He is a smart player that understands when to take chances and when to pull back. He has incredible vision and makes both the simple and very creative pass. He is a very good skater and jumps in and out of holes well to receive passes. SCOUTING REPORT: Jacob is one of the top USA defencemen in this year's Priority Selection. He is a good puck moving defenceman that has the ability to join or lead the offensive rush and then because of how well he skates he can easily recover and get back and play his position. He has a very nice, long stride that looks effortless. His mobility is good and that makes it hard to beat him off the rush. He sees the ice well and makes the simple play the majority of the time which is very effective.

He has a good skill set and is hard to handle down low when he protects the puck and uses his size to his advantage. Luke does a good job in all three zones and understands his responsibilities in his own end. He can be a dominant physical force and will be able to step right in next year and play in the OHL.

He is a typical butterfly goalie that is down on all shots but he is always on the top of his crease and at his size there is very little net to see for shooters. He is athletic and does a good job of controlling rebounds. Rarely did he ever give up weak goals as he was always mentally ready to go and he gave his team a chance to win every game he played in. Joe is one of the top goalies this year and was a big part of the Flyers' success.
